*bracket racing and true street classes

*jet car exhibitions and much more

CLUB NEWS:

Wear green and/or decorate your car at the cruise-in on Saturday 15th. A prize will be given for best dressed person with a car present and one for best car decorated.

The club jackets are in for those who wanted them, you can pick them up at the monthly meeting.

Submit your name, picture(s) of you and your car, and a small paragraph about you, or your car, ect. for a new feature in the newsletter for member of the month. If your name is drawn you will get a picture of you and your car(s) and a paragraph about your car, you, or anything else mustang related.

PREZ SEYS: It's that time again, let's pull out our cars, dust'em off and hit the road! It seems appropriate that the car season really begins the same month the first mustang rolled off the assembly line in 1964, March 9th. Our first cruise-in of the year is this Saturday the 15th, with lots of shows and cruise-in's to follow. I look forward to seeing everyone at the cruise and hope to see some of our new members there. Remember the wearing of the green! Prizes will be given for best decorated car and best dressed participate! See you there....

Kevin

SAFE DRIVING TIPS FOR MARCH 2008:

Do you know the most common cause of death for our children under age 21 is from car crashes? One of the major contributing factors is failure to be properly safety belted. For this newsletters safety tips I am going to provide specifics on early childhood safety seat issues. Infants must be placed in rear-facing approved safety seat until a minimum of age 1 and at least 20 pounds. Children outgrowing these seats should be placed in the back seat in approved forward facing seats until they reach the upper weight or height limit of the particular seat (usually around age 4 and 40 pounds).The next level of seats are approved booster seats still in the back seat until around age 8 or 4' 9" tall. And finally they can remain in the back seat in an adult seatbelt. Always fasten seat belts (everyone in the vehicle), stay alert, and be focused.

Contributed by Alex Alexander
